ARAFAT: "THE DAY WILL COME SOON IN WHICH WE WILL CELEBRATE
OUR FEASTS IN FREE PALESTINE"

ADEN, July 24 -- ANA - Brother Ali Nasser Mohammad, CC Secretary General and Chairman of the Presidium of the Supreme People's Council and Premier, received a message of thanks from Brother Yaser Arafat, Chairman of the Executive Committee of the Palestine Liberation Organisation and C-in-C of the forces of the Palestine revolution in reply to the message of greetings sent by Brother Ali Nasser to him on the occasion of Idd al-Fitr. The message says: "In brave and besieged Beirut which the enemy is continuing its bombardment by land and sea and air, I received your message sent on the occasion of the completion of the holy month of fasting and the advent of Idd al-Fitr may God bring it back on the Arab and Islamic nation with freedom, unity, independence and progress and at a time in which the children in Beirut, Lebanese and Palestinians, were dreaming of the gifts of the Idd, its toys and joys, the Zionist enemy has different types of rockets and missiles on the residential districts in order to kill the smile in the lips of our children, women and aged people."

Brother Arafat affirmed that the steadfastness of the Lebanese and Palestinian fighters defeated and will defeat the bid of the criminal enemies to kill the spirit of struggle in our nation and plan disappointment in the souls of our masses. He pointed out that the thousands of tales of individual and collective heroisms demonstrated now by all inhabitants inside and outside the occupied homeland, the sons of the Lebanese south who are confronting occupation, the sons of steadfast Beirut who are keeping patience with the siege and also the Yemeni fighters in the Palestine revolution are to be added now to the history of our Arab nation in order that no historian records that our nation accepted one day any injustice or subjugation but was having young people who believed in the justness of their cause and the right of their Arab nation on them and so paid everything dear and cheap for the glory of the Arab nation and its prestige. Brother Arafat said that the day will come soon in which we will celebrate together our feasts on the territories of free Palestine.
